History of Honor Flight Buffalo

Co-founded by Jo-Anne Wylie and Lisa A. Wylie as well as Charles D. Dunkle after serving as volunteer "Guardians" on an Honor Flight in 2008 they soon realized the organization's national office had greater than 200

World War II veterans in the Buffalo area waiting to make this journey to see their memorial. In 2009, Honor Flight Buffalo became an "official" Hub of the Honor Flight Network serving Erie, Niagara and surrounding counties area veterans. Honor Flight Buffalo was formed in honor and in memory of the Wylie sister's Dad ~ S/SGT Robert P. Wylie U.S. Army Air Corps, World War II

Veteran and Charter Member of the building of the World War Memorial who never had the privilege of seeing his Memorial.

Priority

Top priority is given to America's most senior heroes — survivors of World War II and any veteran with a terminal illness who wishes to visit THEIR memorial. The program will naturally transition to Korean War, Vietnam War and all other Veterans who served, on a chronological basis.

Mission

The mission of Honor Flight Buffalo and the Honor Flight Network is to fly America's Veterans at **No Charge** to Washington, DC to visit those memorials dedicated to honor their sacrifices.

"We can't all be heroes. Some of us have to stand on the curb and clap as they go by." - Will Rogers
